The great advantage of these pumps is that they are so simple and so easily understood, as to render any pump-er able to run them with perfect ease. They are simple, efficient, and durable, and are universally admitted to be the most economical and best for the purpose. They are increasing in demand for their proven and estimated superiority over every other kind of water pump before the public for similar purposes.

Inspection is invited to any of our stock of Patent Pumps, of every form and size, adapted to the various uses to which they may be required, as also to the WATER-SCREW, PATENT, AND THE PLANTER'S WATER-PUMP, and to the various labor-saving devices, and the various manufactures of our Patent Pumps.

Agents, City and County, New York; London, New York, and New York, New York.

May be had also at Messrs. CLAUDIN & LIME WHARF, Pedlars' Alley, Westminster, London; and at Messrs. CLAUDIN & LIME WHARF, Pedlars' Alley, London; and at Messrs. CLAUDIN & LIME WHARF, Pedlars' Alley, London.
